I would like to register as:

- An exhibitor only
- A conference attendee
- A conference attendee at a complimentary rate

3) Select the type of registration needed. You should only choose 1 type of registration per person.

An Exhibitor Only:

This should be used for those who are **NOT** attending sessions at Inspire2024 and will be manning the exhibit booth only.

A Conference Attendee:

This should be used by those who are attending sessions at Inspire2024 AND manning a booth. This will bring them to the registration page where they will get the reduced exhibitor pricing. A conference attendee must login using their AOTA username and password or create an AOTA account. Using someone else's sign-in will result in the attendee not receiving CE credits as CE credits are only available to the account holder.

A Conference Attendee at a Complimentary Rate:

Please review the # of complimentary registrations available above.

This should be used by those who are attending sessions at Inspire2024 AND manning a booth. This will bring them to the registration page where they will get a complimentary FULL registration. A conference attendee must login using their AOTA username and password or create an AOTA account. Using someone else's sign-in will result in the attendee not receiving CE credits as CE credits are only available to the account holder.

I would like to register as:

- An exhibitor only
- A conference attendee
- A conference attendee at a complimentary rate

Registering as an Exhibitor Only

The person registering as an Exhibitor Only will NOT be attending conference and will only be manning a booth in the Exhibit Hall.
